## Larry Zogby Entertains With a New York Legend

Maxon's Restoration brought their A-game to a recently held corporate event with an appearance by New York pitching legend Dwight "Doc" Gooden and the entertainment of Close of Magic by RDS's very own Larry Zogby.

The evening was filled with awe-inspiring baseball stories from Doc and dazzling illusions by Larry. Maxon's guests will surely be talking about the electrifying entertainment of this event for years to come!
