New Year's Day Splash!

Larry Zogby, President RDS Delivery, decided to Go for It! His love of the beach and daring spirit brought him to Coney Island on New Year's Day to join the Polar Bear Club. With water temperatures at 42° F, Larry, along with about 1,000 others, jumped in for a New Year's swim. This was an invigorating 2008 Wake Up! Once again, Mr. Zogby demonstrates that the conditions are always right for RDS to make a big splash!
